Wanlei Pain
Started In 1991
Work Hard Only For A Good Wall

30

YEARS

2006-2016

Brand reshaping

In 2006, Wanlei touched the direction of the market, introduced imported formulas, and broke out a great interest in "diatomaceous earth", "art paint" "diatomaceous earth" "real stone paint" "Tripod, gradually from the local to the period of the country, and a higher vision to recreate the brand identity.

1994-1997

Involved stone paint

In 1994, in order to seek profit survival, Wanlei involved in the real stone paint products, for this purpose, the creation of "Xinli" brand, set up the corresponding engineering department.

1991-1994

Brand creation

Wanlei was born in 1991, the brand positioning wallcovering initial involvement in coatings, Wanlei began to gradually independent research and development, debugging products.

2016-2023

Go to the world

In 2016, Wanlei set eyes on the world and established the first "Wanlei Art Paint Museum" in China's paint industry, taking the lead in establishing the milestone of art paint and moving towards "art paint standardization".

1997-2006

Expand development

In 1997, Wanlei shifted its focus to "Art Paint" to expand its product line and diversify its brand.
